

# Lubricants / Maintenance

## Camie 100 Heavy Duty Silicone Lubricant

A multipurpose, 6% high viscosity silicone spray for general maintenance applications that can smooth the flow of production by reducing friction and binding. It can be used in molding, cutting, sawing, and slicing operations where friction or sticking decreases output. An excellent product to prevent the formation of rust, static electricity, or the buildup of inks and adhesives. It is odorless and stainless in most applications.

Packaged twelve 20 fluid ounce  
(13 oz. net weight) cans per case.

## **Zep 015201 Iron Clad Metal Protective Agent**

Iron Clad Metal Protective Agent dries to a thin, waxy, transparent film for long-term indoor or outdoor protection. Acts as an impenetrable film barrier against heat, snow, rain, salt water and other industrial corrosive elements. Transparent formula allows colors and markings to remain visible on protected metal.

*Packaged twelve 24 fluid ounce  
(1 lb. 1 oz. net weight) cans per case.*
